

Dear Parents,

Welcome to the new school year in the Cardiff School District. I hope your family has had an enjoyable summer. To assist the school in its efforts to meet the needs of our students with our limited resources, we are encouraging you to provide the following materials for your child's personal use. The school will continue to provide essential materials for our students and those students who are unable to bring in personal supplies will not be penalized in any way. Your child's teacher may have additional items they will suggest your child bring to school. Any assistance you can provide in sending these materials to school is greatly appreciated.
