Drop Off and Pick Up Procedures for 3rd and 4th Grade

In the morning, drop students off at the front of the school; be sure to pull forward as far as possible (past the Ada Harris sign) in order for more cars to enter the driveway. **In the afternoon**, pick up students in the school driveway. Third grade classes will be close to the front of the school and fourth grade classes will be further down the driveway by the stairs.

Drop Off and Pick Up Procedures for 5th and 6th Grade

Students will be dropped off and picked up in the old Ada Harris driveway that is located up the hill on Windsor Road. Students enter and exit campus via the ramp that connects the upper driveway. Fifth grade classes will be by the gate and sixth grade classes will be closer to the preschool.

This path is available, and highly encouraged, for use by all grade levels as an alternative to the above options for drop off and pick up.
