

Checklist for sectionals and band rehearsal:

- Bring to every sectional and band rehearsal –
- 1 inch or ½ inch binder with sheet protectors
- Sharpened pencil
- Instrument with needed supplies (reeds, drumsticks, cork grease, etc. – check separate supply list for your particular instrument
- Water bottle
- Music Book(s)
- A positive attitude

- Arrive early to your lesson so you can assemble your instrument and be in your seat with your instrument, music, and water bottle by the scheduled start time.

- You may warm up on your instrument until the instructor calls for quiet.

- Never play your instrument while the instructor is talking.

- Listen and pay attention to instructions.

- If you have a question, wait until the end of the song and then raise your hand.

- If you are having trouble with playing your instrument or learning a song – let your instructor know! They are there to help.

- If you have forgotten your music book – see if you can share with someone in your section. If that won't work, there are usually some extra books. Ask your instructor.

Don't forget to practice at home! Three times a week!
