**Dear Families,**

**Here's to another wonderful week! We will sing our song, The Sharing Song. The children are doing a lovely job learning it, and it is fun to hear them singing it throughout the day. In our Writer's Workshop we will continue to focus on lines, how lines can create various shapes, letters and how those shapes and letters can create other things, including art. In our Math Workshop, shapes, ST Math, our class calendar, and math games will continue to be our focus.**

**Mark your calendar. This Thursday, the 15<sup>th</sup> is Make Up Picture Day. September 30<sup>th</sup> is a school spirit day, Pirate Day. If your child would like to show their school spirit and dress like a pirate, they are most welcome. Please ensure that your child comes to school dressed appropriately so they can participate in P.E. as well as be safe for recess, thank you!**

**Kinder Night is Thursday, September 22<sup>nd</sup> from 6:30pm.-8:30pm. This is a wonderful night for Kindergarten parents to learn more about the Cardiff SEA and all they do. I hope you can attend.**

**Here's to a super week! If you have any questions or concerns, please do not hesitate to contact me, either in person, by phone, or e-mail.**

**Sincerely,**

**Danan McNamara**
